Sno-Ball

HUGE SUCCESS IN SYMPHONIC BENEFIT

There was only one touch needed to make the Sno-Ball complete. No one will believe that it wasn't arranged by the committee which did such a wonderful job of decorating - it snowed. The first snowfall of the winter was visible outside as inside a capacity crowd enjoyed the dancing to the music of Joe Ponte's orchestra. The orchestra was installed in a bower of greens behind a fountain which performed a dance of its own in color. The back of the hall was a forest of trees decked with snowballs and snowbirds. Huge candelabra made of greens were ranged along the sides of the hall. Candle lit tables each contained a snow ball made of chive cheese in a tasty decoration.

Presumed Guilty!

Editorial - D.C.J.

Demonstrators, with placards, march in Chicago. Crude "cartoons" and editorials which convict stir emotions in newspapers. Readers' letters pour in in response. Most denounce a tragic affair which the President calls "outrageous".

Assuming that reports are accurate, one Lithuanian took a foolish gamble and lost. He, apparently, disregarded instructions to jump into the sea and, in doing so, he placed the Vigilant in an impossible position. Instead of letting the Coast Guard rescue him from the neutral sea, he put them in the position of a seeming abductor.

Many secret aggreements cover international action. Can a skipper of a Coast Guard vessel know them all? Can he chance action on his own that might jeopardize hundreds of American lives? Six hours' wait for instructions from those qualified to make these decisions would seem to be reasonable in this age of instant communications when an intercontinental missile allows 15 minutes.

At this moment, how many Americans are traveling in Russia as tourists - all potential hostages. Could a single "humanitarian" act by a United States Coast Guard skipper put all of these lives in jeopardy? Do you

want to bet your life on it?

Hundreds of heroic missions have saved lives as the Vigilant has operated, in all weather, to rescue boats and ships in waters off our coast. How many letters have poured in in public congratulations and appreciation? Few, you may be sure. Saving lives is the everyday job of the Vigilant's officers and crew. Are these men sadists that took pleasure in returning a man to slavery and possible death?

If President Nixon wants to express outrage let him look to the streets of the United States. Hundreds of Americans daily are beaten, robbed and murdered. It would be unfair to blame the President for conditions which he inherited. It is not unfair to expect improvement after two years. Just as it would be fair to expect decisions from high government superiors after six hours.

The proud record of the Vigilant has been little noted. No one seems to speak up for a Captain placed in an impossible situation. Action, either way, would have been denounced.

No one yet knows if Comdr. Eustis acted

under orders and , if so he was left with no choice. If he were left to act independently, he had to remember that he was out there as a representative of the U.S. State Dept. and that is a tremendous responsibility in a highly sensitive position. There was no choice but the action which has stirred such violent emotional reaction.

In respect to many years of courageous action shouldn't we wait for a hearing to determine the facts before announcing that "a scar has been placed on an illustrious record"?

In our society, hardened criminals are repeatedly absolved of responsibility for their crimes and forgiven again and again. Should brave men with an unblemished record of honorable service be condemmed before the formality of a hearing?

NO WIDENING OF NORTH STREET

Residents of North Street can relax according to the Mattapoisett Selectmen's office. No widening of North Street is planned as a feeder for Route 195. The only section of North Street that will be affected is the point where the cloverleaf will be built just north of Railroad Avenue.

HOW ABOUT GIVING THE TV A REST..... AND PAY A VISIT TO YOUR LIBRARY!!!

When was the last time you visited your library? On Barstow Street in Mattapoisett there is a fine Library contained inside a compact red-bricked building with neatly kept lawns about it. There are rows of shelves filled with assorted reading matter certain to delight the discriminating and avid reader, from the very young to the very old. The atmosphere is delightful and restful. Mrs. Samuel Hathaway, our Librarian, and her assistants extend themselves in a most helpful and pleasant way.

Recently a refurbishing job was authorized by the Library Trustees, Mr. Fred Bieringer, Mrs. Robert Humphrey and Mrs. Donald Marvin. The rooms now glow with newly-painted walls and ceilings. On your next visit you may very well be surprised to note the addition of four very special chairs. They are walnut finish director chairs with a replica of the new bandstand showing on the royal blue canvas backrest. These are the gifts given jointly by the Lions Club and the Woman's Club of Mattapoisett which were recently presented to the Library for use in the reading room.

Originally, a pair of chairs was presented to each organization as a "token of appreciation" gift by the Mattapoisett Bandstand

The Woman's Club chose to present their set of tiles to the Library. The presentation of the tiles was made by Mrs. Louis Corey, Community Service chairman of the Woman's Club. Making the presentation of the chairs at the Public Library were Lions Club president Jerry Stratton and Woman's Club president Mrs. Albert Furnans. Among those present were Library Trustee Mrs. Donald Marvin, Mrs. Hathaway, Mrs. Corey, Mr. Bruce Rocha, a member of the Bandstand Committee and Clerk of Construction of the new bandstand. Included also was Mrs. Alden S. Kinney in charge of publicity.

At the next Selectmen's meeting, Mr. Jerry Stratton plans to present the Lions Club set of tiles to the Town Fathers. It is their hope that the tiles may be affixed on a suitable wall space of the Selectmen's Office in the Town Hall for posterity.

Both organizations are to be commended for their zeal in town affairs and their thoughtfulness in this matter.

Concert & Wassail Party

PANDOLFI PLAYS AND ATKINSON AD-LIBS

For the second time this season John Pandolfi and John Atkinson will team up with that perfect blend of exquisite music and stunning narration this Sunday afternoon, December 13th, at 3:00 P.M. at the Bristol Auditorium of Old Rochester Regional High School when the Regional Symphonic Band presents its Christmas Concert.

On stage as special guests will be the fine Civic Chorus directed by Leo Paduzzi. This joint concert promises to be one of the most outstanding musical accomplishments presented on this stage.

John Atkinson, with his superb gift of rapport with an audience, will introduce each musical selection and will prove once again how delightful an experience a concert can be.

John Pandolfi has been working overtime with his musicians to produce a program unmatched anywhere.

And if this Christmas program were not enough itself, a lively Wassail Party will be held around several punch bowls in the cafeteria for the entire audience and members of the band and chorus in the warming spirit of a Christmas celebration.

The Omar Sharif of the musical world, John Pandolfi, has prepared the following program for your delectation:

A Jubilant Overture.....Reed
Die Nacht.....Strauss
Variations on "America".....Ives

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night. Neighboring Granges present were Fairhaven, Acushnet, Smith Mills, Wamsutta and a guest from Pine Rock, Illinois.

The Resolution on the death of Ruth Tinkham was given by Mrs. Olive Gifford. A copy will be sent to the family. A report was given on the clean-up day. Mrs. Olive Gifford, chairman of the Home and Community Service Committee, reported on the work she is doing. She also conducted a Penny Sale for her working fund. A report on the Junior Grange was given by the matron, Doris Fearing.

Twenty-five year certificates and pins were presented to Mr. and Mrs. Earle Wilson and Past Master George Randall by Deputy Jethro Ashley, who also read the message on the certificate. These three

people have had continued membership and given much of themselves to the Grange. The Eastern Star was voted the use of the hall on January 25th for a card party.

Gladys Pearson won the lecturer's march which opened the lecturer's program. Mr. Kerry was presented and entertained with a film on the Heritage Plantation of Sandwich. The film was not only colorful and beautiful but a most interesting and educational film to see. It is hoped that a group of Grangers will plan a trip down to Sandwich in the early summer to enjoy such a pleasant place.

Sandwiches, pickles, potato chips were served by the master and her committee.

For the December 17th meeting the Grange entertainment will be by the popular men's chorus, The Wanderers, led by Mrs. Lee Root and accompanied on the piano by Mrs. Louis Corey. The short business meeting will be held at 7:30. The officers will be in charge of refreshments. Members are asked to bring in wrapped gifts, denoting for man or woman, to fill a basket for the patients at the nursing home for Christmas.

CAR WASH

Mattapoisett Cadette Girl Scout Troop #49 is holding a car wash at the Fire Station, Route 6, on Saturday, December 12th, from 10 A.M. to 4 P.M. If the weather is inclement it will be postponed until further notice.

Junior Grange

The Mattapoisett Junior Grange will meet this Friday night, December 11th, in the Grange Hall at 7 o'clock sharp. First they will trim the Christmas tree, second, they will be transported to Middleboro where the matron has hired a large wagon for a hay ride that will be from 8:30 to 9:30 P.M., then back to the Grange Hall for refreshments by 10 P.M.

This good time is open to non-Grangers. The cost will be $1.00 each for both children and adults.

The matron has worked very hard to make this happy time for you so please take advantage of having a hay ride for both youngsters and oldsters, Grangers and non-Grangers. All are welcome.

Gay Nineties Fun

"Oh, here comes our dear Nittle Lell! - I mean Little Nell!" gestures Ma Wilkens to Pa Wilkens as "The Stage Manager" looks on. Photographed informally during a recent rehearsal of the burlesque, Gay-Nineties Drama, "Little Nell", are Richard Helfand, David Peterson and Lisa Saether. Cast members absent when the pictures were taken are Gail Roberts as "The Prompter", and Mark Harris as "The Prologue".

Special Gay-Nineties music is being planned for audience pleasure between acts by pianists Ric Helfand and Jeff Dunn, while Janice Fleugel, Delia Davis and Don Betts are preparing special refreshments to promote the evening festivities. Usherettes for the two performances are Cindy Roylance, Kim Almeida and Jayne Morris. Ticketman Jim Holt will be at the door to sell last minute tickets to one and all, or you may make advance reservations for either evening with any Fellowship member.

GIVE UNITED FUND

Serving on the United Fund's General Solicitations team as Mattapoisett Chairman is Llewellyn V. Roberts, head of the English department at Old Rochester Regional High School. In accepting the responsibility for Mattapoisett's part in the 1970 UF Drive, Mr. Roberts expressed strong belief that the generosity of Mattapoisett residents and businessmen would enable the town to reach and surpass the goal set for it. To date, through the efforts of Mr. Roberts and his chief assistant, Archibald Lammey, Mattapoisett has achieved better than 80 percent of its goal. The UF campaign still has seven days to run, Mr. Roberts noted, "so anyone wishing to contribute who hasn't may do so by reaching either Mr. Lammey or me."

"Travel Talks" by Junior Volunteers will be given following the business meeting. Miss Cindy Mason will tell about her job as tour escort and guide for Paragon Travels, and Miss Marlene Lavoie will show a film illustrating her two-month trip in Switzerland and Germany.

Winter recruitment continues for more Junior Volunteers. Young women 18 to 25, single, who are engaged in careers or are continuing their education are eligible to join. An interest in community service and the program of USO for men in the service are essential. Mrs. Grace Young, director of USO at the YWCA, will be pleased to talk with a prospective member about details of requirements and the opportunities of the program that is both fun and helpful to those needing recreation.
